The event is the culmination of a whole years practice to perfect in achieving a wine making standard worthy of professional judgement.

Over 200 entries are submitted for assessment to a panel of winemakers and educators dedicated to professionalism and passion for the wine industry.

About the Club

Sydney Amateur Winemakers is a club of wine lovers and home winemakers who strive to create wines they can be proud of.

The purpose of our club is to bring together in a friendly atmosphere people interested in the art of amateur winemaking and engage in related discussions, demonstrations and social events.

The club's objective is to enhance the knowledge and skills of all members so as to develop a greater appreciation for good quality wines through a hands on process in winemaking, maturing and evaluating their wines.

Meetings

Meetings are held at 7:30 pm on the second Thursday of each month at Club Rivers (Riverwood Legion & Community Club), 32 Littleton Street, Riverwood (Telephone 9533-3144).

A technical topic, feature presentation or workshop session is generally conducted followed by a practical winemaking analysis forum where all members can tap into the knowledge and experience of the veteran winemakers.

Each month a wine mini competition is held where members' wines are evaluated, rated and judged.
